Fall Life

MN style

It is evident that the fall at MN is many student's favorite time of the year. School Spirit is at its height and everyone is anxious to see what the new school year will have in store for them. Among the highlights, Spirit Week is easily one of the most favored times of the season, with the big Homecoming pep-rally to end the week of activities which include hallway decorating, tiger olympics, the powderpuff game and themed days.

In addition to the various events wrapped up in Spirit Week M.N. students are busy participating in the various activities around school. The fall play, *Pride and Prejudice*, was a great theatrical performance and was enjoyed by many. The athletics at Marple Newtown show both the hard work of the athletes and the commitment that the fans at MN have to cheer on their peers. The marching band as usual put on a great show proving the orange and black spirit thrives in the fall

(Jessica Matlack, Laura Ebling, and Jasmine Kojouri)
This year, Marple Newtown presented *Pride and Prejudice*. All of the hard work the cast and crew put into the theatrical performance paid off. It was a big hit.

The Marple Newtown Tiger Band is the highlight of the half-time experience when watching football games. In addition their tunes pump up the crowd and create a charged and spirited atmosphere.

Throw on your MN colors and get to the game. Whether we win or lose, Marple Newtown athletics are a favorite weekend activity for many students who enjoy cheering on their peers.

Spirited Snapshots

Marple Newtown's Fall season is known for our pep rallies, Spirit Week and other school related activities.

A Sticky Situation

At the annual pie-eating contest everyone seemed to have some trouble blowing the bubble at the end. Kelly VanDeBoe decided to help out senior Kevin Gallagher by supplying a new stick, ultimately leading to a senior victory.

School Spirit

Chris Scott shows his school spirit at the Marple Newtown Football games. By painting his body the colors we all know and love, he exemplifies what it means to have Tiger Pride.

Powder Puff

Powder Puff is a favorite event for both those participating and those watching. Benefitting breast cancer research, the girls join their class's team coached by football players and compete in a game of two hand touch.

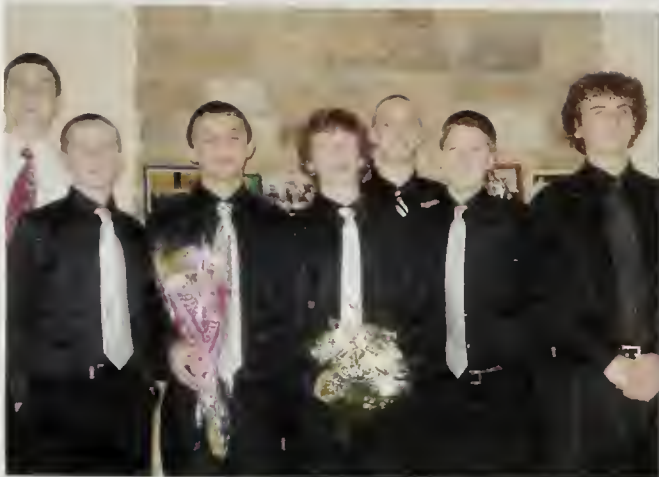

Volleyball Night

One senior team, the "White Tees", prepare for an intense match-up during the always popular volleyball night. During this night, students pick teams and compete against each other to be named 'volleyball champs' and receive the coveted orange t-shirts.

Winter

Frosh

The freshman dance took place on February 6th. Many accompanied their freshman dates and had a great time at the dance.

Volleyball Night

The second volleyball night of the season is in the winter. Volleyball night is a great way for classes to have fun and compete.

Basketball

Basketball games are a big social event in the winter for many Marple Newtown students.

Choir Concert

The winter concert was yet another success and enjoyed by all who attended.

Life

The winter begins the dance season at MNHS. On January 9th many juniors and seniors attended the first semi-formal of the school year.

Variety Show

The Variety Show this year was a hit! The annual senior class fundraiser attracted many students to enjoy a night of comedy and see their fellow classmate's talent.

Winter Pep Rally

The second pep rally of the year promoted winter sports.

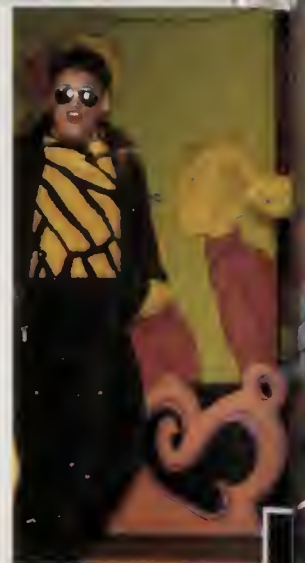

Coaches vs. Cancer

The second annual Coaches vs. Cancer game was held in January. Both teams competed well, raising money for a good cause.

Spring Life

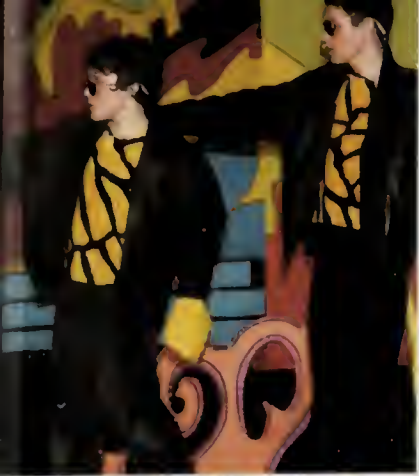

M
N

Soph

The sophomore class had their semi-formal dance. It is a fun way to raise money for the class and get dressed up.

Suessical the Musical

The spring musical was, yet again, a hit. The cast and crew did a wonderful job.

The senior fashion show is a senior class fundraiser. Each year a number of models are selected and able to show off the latest trends.

Spring Sports

Spring sports are a great way to get out and cheer on your classmates as well as enjoy the warm weather.

What Went Down...

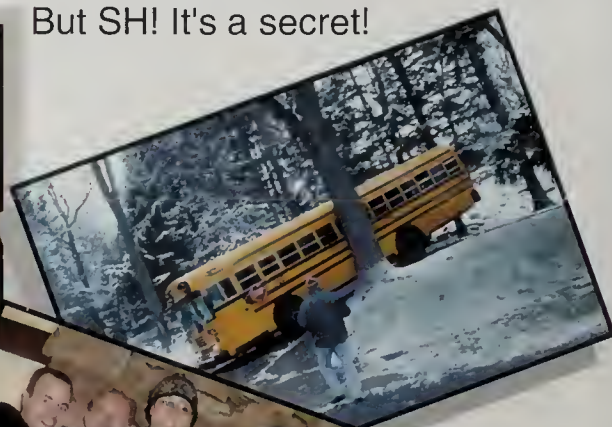

V o l l e y b a l l N i g h t

L.I.N.K

Our first annual L.I.N.K. (Leaders Involved Networking Kids) weekend took place in November. It was a memorable experience for those who went and will now be a bi-annual trip for Marple Newtown. Participants are nominated by students who have already been "linked" and high school faculty. The extended weekend explores team building exercises, group work activity and fellowship. The weekend is led solely by student leaders. But SH! It's a secret!

G.A.P.P.

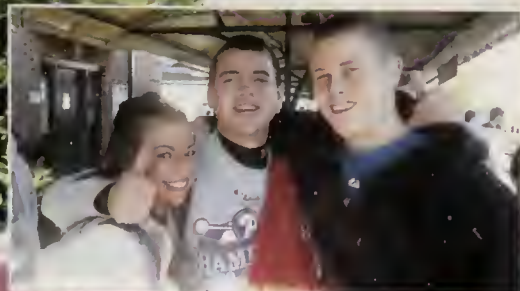

The second annual German American Partnership Program trip took place this fall. Spearheaded by Frau Eva Kaufmann, students from Ingelheim, Germany came to live with MNHS students and experienced high school in the United States. The program began with a dinner hosted by the program sponsor, SAP America, and concluded with a host family dinner in the MNHS library. During their three week stay, the German students also traveled, visiting Lancaster County, PA., Center City Philadelphia and New York City.

Performing Arts

*Band, Orchestra, Choir,
Pride and Prejudice,
Seussical the Musical*

MARCHING BAND

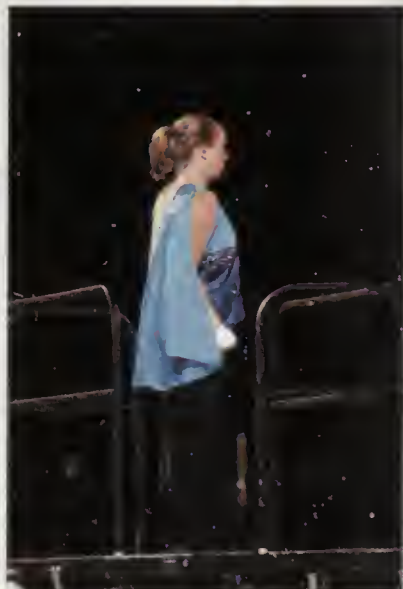

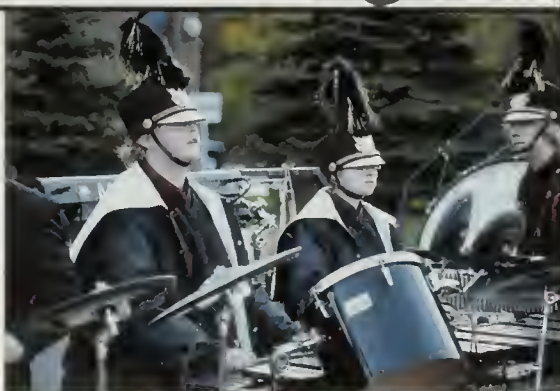

MARPLE NEWTOWN HIGH SCHOOL

The performance begins with the exciting *electrons*. It is based on the idea that free floating electrons are connected into the circuit. The music is layered in tiny sequential fragments set on top of one another until a cacophony of sound builds to a critical mass. The show then moves on to *connections*. Here the acoustic and electric environment meet and join the electrons creating one cohesive unit. The performance concludes with a furious frenzy of *overload*. This nonstop race shows what happens when a circuit becomes overloaded. Music builds in intensity where there is nowhere for it to go, before it explodes into a furious ball of musical business.

The Tiger Marching Band performs:

Class Officers

2009

President *Zach Cetlin*

Life is like a roller coaster. This can be fairly equated to the past four years for the Class of 2009. We've taken all that MN has to offer and now are looking toward graduation; just the next stepping stone in the journey of life. I can't show enough gratitude to my fellow class officers; without you guys I would have been lost. Being new, I knew that I had a difficult task ahead of me, and you have been there for me this entire year. To Mr. Andrews and Ms. Jacobson, our fearful class advisors, thank you for the opportunity to become more than just a bystander my senior year. I will never forget anything that Marple Newtown has given me; from the people, to the faculty, to the activities that make high school. Thank you class of 2009, not just for the memories or friendships but for the chance to simply have fun in an environment that not many associate with fun. I hope that you guys found me to be everything you expected when you elected me class President. It has been a blast serving. To quote Alexander Graham Bell, "When one door closes, another opens. Take this with you for the rest of your life. Because no matter where you look opportunity is awaiting. Congratulations to the Class of 2009 and I wish you all the best for your future.

Vice President *Bobbi Caprice*

To the class of 2009, I would like to thank everyone for electing me your Vice-President for the past four years. It has been an honor to work with each and every one of you. To Zach, Meredith, and Jackie: we worked so well together, and I feel lucky to have been able to work with such great people over the past years. Spending so much time together, you guys are like my family, and I love you! Mr. Andrews and Ms. Jacobson, your dedication to the class is greatly appreciated. With you as role models, I have been able to grow into the young adult I am today. Also, to the Administration, for having to put up with us. I really appreciate your confidence in us as leaders. And of course to everyone who helped and supported with our fundraisers, dances, spirit week, etc. We couldn't have been as successful without you.

"We all take different paths in life, but no matter where we go, we take a little of each other everywhere." It is time now to start a new chapter in our life. Even though we will all go our separate ways, never forget we are the Marple Newtown Class of 2009, and forever a family! Good luck in all your life's choices, and LIVE IT UP Class of 2009!

Secretary *Jackie Roebuck*

Dear Class of 2009,

It is hard to believe that it is already time for us to go our separate ways. First I would like to thank the other officers: Mere, Zach, Bobbi, and Kelly, for making every event so memorable. I can't imagine working with a better group of people. I would also like to thank our advisors, Mr. Andrews and Ms. Jacobson. Without your commitment and enthusiasm, we would not have had such successful, smooth running years.

It has been a pleasure to be your class secretary these past four years. Every dance, dodge ball night and spirit week have been so much fun and they would not have been possible without all of your support. I hope that whatever you aspire to do in your life, you are able to achieve.

What lies behind us and what lies before us are tiny matters compared to what lies within us. Congratulations to all and good luck in the future!

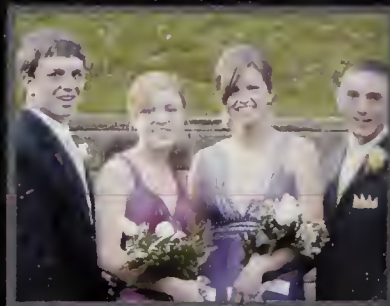

Treasurer *Meredith Riddell*

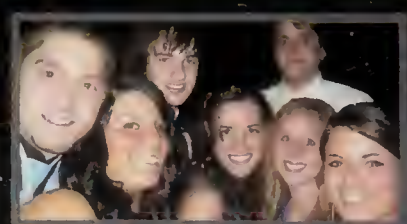

My fellow Classmates- As cliché as it is, where has the time gone? It feels like yesterday we were counting down the days until June 11 and it is finally here! Most would agree walking in commencement will be a wonderful day and I am happy to share it with the Marple Newtown Class of 2009. It has been my honor to serve as your class treasurer the past four years. I could not have done it without the help of my co-officers and advisors. Jackie and Bobbi: I am so glad I was able to work with two of my good friends throughout the years. Thanks for everything. Planning dances and fundraisers would not have been the same, and I love how we always laughed about things becoming second nature. Zach it was great to work with you and I am impressed how quickly you picked up on everything. Kell it was a pleasure to work with you the past three years; you definitely made an impact on our class. Mr. Andrews and Ms. Jacobson, thank you for always being on top of things and helping me to enjoy my years in office. I wish you all the best of luck in whatever you may do. A Night to Remember

A Note from the editors.

Kelly Gallagher

Taking on the responsibility of being the yearbook co-editor in chief was a challenge I had underestimated. In addition to the already difficult task of recording a years worth of memories, this was a transition year, the process was completely different and something we all needed to adjust to. However, out of the countless hours, last minute problems, cups of coffee and deadlines we became a cohesive team with one goal in mind; create the best yearbook Marple Newtown has ever seen. I have learned how to manage my time better, deal with stressful situations, and understand the meaning of responsibility. To Ms. Lantz and Mr. Harris: thank you for giving us all creative freedom and assisting us with every task at hand. Boo, Anne and Tina: you girls stepped up above and beyond your titles and your willingness to help with anything we needed did not go unnoticed. Thank you for everything. I couldn't ask for a better team to work with or drink coffee with each day. Meredith: my partner in crime. Congrats! we finally finished! Your organization made this process run as smooth as possible. Your hard work and dedication can't be matched, and it was a pleasure to complete this product with you. It took constant Panera trips and late nights to get here, but we did it! To our junior editors: thanks for all of your help this year, and good luck with everything next year, I know you girls will do great! Finally, to the Class of 2009: I hope you appreciate the time and effort we have put into this. We did our best to make this the greatest book we could, with hopes that in the future you can look back at your high school years and not forget a thing. Thank you for all of the memories that fill these pages. I will miss you all. Good luck with your future endeavors.

Sincerely,

Kelly Gallagher
Co-Editor in Chief

Meredith Riddell

Just the other day my mom pulled out her Class of '78 Haverford high school yearbook. Who would have thought that 25 years later someone would want to check it out, I mean once you graduate who cares anymore right? Wrong. Your graduating yearbook will be a connection to high school for the rest of your life. When your times here at Marple Newtown High School are just a memory, the 200 plus page book of 2008-2009 best times are at your fingertips. I am very

lucky to say, with the help of my advisors and staff, I was able to create this book for you. Spending countless hours, uploading hundreds of pictures and making many decisions have led us to create the first color yearbook our school has ever had. Taking on the task was a bit overwhelming at first, but once we got the program down, I couldn't ask for anything easier. Boo, Anne, and Tina- Thanks for always being on top of everything. You were always right there, especially deadline week when we needed you most. All of you had a very big part in creating this yearbook as well and I appreciate all of the effort you put in. Ms. Lantz and Mr. Harris- You did it! Your first year as advisors and it looks great. Thank you for being patient with us and learning as we did. Mr. Williams- Thank you for getting me involved with yearbook. It was a task I definitely underestimated but has taught me a lot. Period 7/8- I could say thank you a million times and it wouldn't be enough. Underclassmen

were a big task and we appreciate you doing that. Secretaries- Please don't hate me! Haha. Thank you for being cooperative with seeing me on average three times a day. To our junior editors- Best of luck next year. It is a big task but plan well and it will be great, I have no doubt! And lastly, Kell- it was our last chance to be a team. I feel like most activities we have done in high school have been together and this is a great way to sum it all up. Thanks for your leadership and positive attitude when at times, it was very difficult for me to be positive - haha. Not only did we start off the year with a bright new room, but our yearbook looks great as well and I'm proud to say we made it through together. Now, to the Class of 2009, here ya' go! Your last ever high school yearbook. I hope that you appreciate all the work that has been put into it, and maybe ten years from now you just might want to look back on the best years of your life. Best of luck in all that you do!

Sincerely,

Meredith Riddell,
Co-Editor In Chief

A Note from the Principal

Welcome to the 2008 Memories. This yearbook will serve you well in the years to come. It will be a reference tool when you want to recall a specific friend, organization, or teacher. It will also be a history book that tells the tale of your four years in high school. It certainly will be entertainment when you look back in several years and say "Remember that time when..." or "I can't believe I wore that."

However this book serves you in the future, do your part to preserve it and your memories of Marple Newtown High School. Whatever your experiences have been, high school is a very exciting time in anyone's life. It deserves a special place in your memory.

I wish you the best of luck in whatever direction your life takes you. Know that I, and the rest of the faculty and staff have enjoyed creating the memories contained in these pages. We look forward to hearing of your many future successes and adventures.
